6th INTERNATIONAL PROJECT MEETING IN PLOCK

7-12 April 2019

**Project "Motivating young Europeans",
number 2017-1-DE02-KA202-004129**

The sixth meeting of the project partners was held from 7th to 12th April 2019 in Plock, Poland. The meeting was organised by Zespól Szkól Technicznych w Plocku. The organizer in the school was Agnieszka Stanczyk-Jablonska – the project coordinator.

The participants of the meeting included representatives of the following institutions:

- HEMS Heinrich-Emanuel-Merck Schule (vocational school) from Darmstadt, Germany
- IHK (Chamber of Industry and Commerce) from Darmstadt, Germany
- Merck KGaA (a company) from Darmstadt, Germany
- Istituto di Istruzione Superiore di Stato (vocational school) from Brescia, Italy
- PIKC Liepajas Valsts Tehnikums (vocational school) from Liepaja, Latvia

The goal of the meeting was to discuss “Guideline for the company explorations” and visit the companies.

On the first day the project partners visited 2 companies in Kutno: AMZ - KUTNO S.A and Florian Centrum S.A. and Sugar Plant in Dobrzelin. In every visited company they asked many questions, mainly concerning the production, cooperation with vocational schools and the possibilities to organise trainings for foreign students. They also visited a 15th century castle in Oporow.

On the second day the partners visited 2 companies FAB A S.A. in Baboszewo - a producer of tools for woodworking and furniture industry and FructoPlant in Gabin - a producer of many plants, bushes and trees. On the way back to Plock they stopped in Sanniki to visit the palace.

On the third day the partners went on a trip to visit Open air museum of the Mazovian Countryside in Sierpc where they had a guided tour around the Mazovian style village and watched a show of butter making in the traditional way. Later they went to Rypin to visit Rejs Company - a furniture fittings producer where Lithuanian and German students had their five-day training.

On the fourth day the project partners had a tour around Plock and passed by Prussian Building - Collegen Haus, Cathedral Basilica, Mazovian Duke's castle, Saint Faustyna Sanctuar. At midday they had a meeting with the Vice Major of the City of Plock who was asked about the cooperation between the authorities and vocational schools and how vocational training is organised in companies in Plock. In the afternoon they watched Art Nouveau and Art Déco exhibitions in the Mazovian Museum.

On the last day of the project meeting the participants went to our school. While the project coordinators discussed project management and project schedule, the other participants visited our school. At midday students came and presented the photos from their training in Rypin. Finally all the participants (teachers and students) filled in online evaluation form. The results revealed that the meeting had been organized perfectly.
