- Dariusz Tyburski - school head teacher
- Bogdan Kozinski – teacher of practical subjects
- Ewa Cichoca-Cieślak - English teacher
- Lidia Dutkiewicz - chemistry and physics teacher
- Anna Kielbasa - physics teacher

The goal of the meeting was to analyse “Guideline for the company explorations”, visit the companies and discuss the tasks for the last project meeting in Brescia.

During the first two days the project partners had a guided tour of Liepaja and visited Karostas Prison, Northern Forts, The Museum of Unrated Things and had a boat ride on the canal in Liepaja.

On the third day the coordinators worked on the project results and the tasks for the final meeting which will be held in September 2019 in Italy. The other participants visited the renovated partner school – PIKC Liepajas Valsts Tehnikums, They could admire fully equipped school classrooms, school workshops and the dormitory. Later the project participants visited the company “Lauma Fabrics”. In the afternoon they analysed the “Guideline for the company explorations” and prepared some questions to the company “Aile group”. In the evening they ate a delicious dinner consisting of 5 traditional Latvian dishes, some of which the participants prepared themselves.

On Thursday they visited the company “Aile group” and asked questions prepared the previous day. Later they worked on the project considering how cooperation will continue after finishing this project.

On the last day of the project meeting the trainees presented the benefits and skills they gained during their training. Finally all the participants filled in online evaluation form. The results revealed that the meeting had been organized perfectly.
